

### **Crossover Witness Guidelines:**

- All bills coming from Rules and all bills that are Senate cross-files of previously heard House bills will be sponsor-only.
  - The committee will accept oral testimony on Senate bills from the bill sponsor, a sponsor's designee, or the representative of the Department that requested the legislation.
- For Senate bills that do not have a House cross-file, the Chairman will allow one witness to speak in favor of the bill and one witness opposed, in addition to the bill sponsor.
- For crossover bills and bills referred from the Rules Committee, the public may submit written testimony via the MyMGA portal to indicate their position for the bill. See [MyMGA and testimony standards procedures](#).
